25X1 MEMORANDUM FOR: [REDACTED]  
Administrative Officer, O/DCI

SUBJECT : Awards Recommendations

I have carefully considered the Director of Personnel's 16 April memorandum on the nomination of Agency candidates for various external awards and have only three comments to offer.

25X1 1. [REDACTED] should be considered as a probable candidate for an Arthur S. Flemming Award if his age does not preclude such consideration, as I believe it does.

25X1 2. I feel very strongly that [REDACTED] of the Office of Current Intelligence, who was the Agency's nominee in 1965, should be nominated again for the Federal Woman's Award and that we should continue to nominate her until she gets it.

25X1

3. I have no recommendations for any of the other awards covered in the 16 April memorandum.
